FALL 2017

2nd Annual Grants Open House

By: Lucy Gilmore, Community Assistance Grants Chair

On August 24th, over 35 organizations attended our 2nd annual Grants Open House.

After a warm welcome from our JLI President, Stacy Payne Miller, attendees had the opportunity to hear about the history of JLI's involvement with grants and the community from current EVP Lauren Weintraut. Attendees were able to learn about the grants process and ask questions directly to the grants chair.

What are Community Assistance Grants?

The Community Assistance Grants award a total of \$100,000 to 12 different nonprofit organizations that prepare students for academic success in Marion and surrounding counties. This year the application process will include a Letter of Intent prior to being invited to apply. Applicants will have the option of applying for funding for \$5,000 or up to \$25,000.

How can I participate?

Save the date for the December General Membership Meeting! The top 5 applicants will be pitching their projects at the meeting and members will vote who receives a \$25,000 grant. The four other organizations will all receive a \$10,000 grant. ■

MISSION STATEMENT | The Junior League of Indianapolis is an organization of women committed to promoting voluntarism, developing the potential of women, and improving the community through the effective action and leadership of trained volunteers. Its purpose is exclusively educational and charitable.

Dear Members

As we reflect on the devastation caused by Hurricanes Harvey, Irma, and Maria, one thing is for certain, we come together as a Nation, as a State and as a League.

My thoughts drift to our sister Leagues in the South. As I learn about the member and their personal experiences, some as unimaginable as they come, I am humbled by the resiliency of Texans and Floridians, and the actions of other leagues that came together as a family of volunteers to help anyone in need.

Coming together has been what Junior League members from around the world have been doing for decades and some for centuries, as we help in times of tragedy and also everyday as we promote voluntarism, develop the potential of women, and improve our community. We give of our time, talent, and treasures and I'm proud to be leading an organization that believes in the power of giving.

I can't help but think of a quote I once heard at an AJLI conference that seems fitting as it comes from Junior League of Houston member and former first lady Barbara Bush.

"Giving frees us from the familiar territory of our own needs by opening our mind to the unexplained worlds occupied by the needs of others." Barbara Bush

On September 9th, Junior League of Indianapolis members participated in "Hoosiers Helping Houston", a collaboration of business, political, faith, academic, and local community stakeholders forming a committee to support the American Red Cross efforts to provide aid to south Texas. We managed a donation drop-off location in Fishers. As we began our day we learned that the donations would also include aid to Florida. Although Hurricane Irma had not yet begun to strike, we anticipated the damage, and it was decided this effort was going to help anyone who fell victim of these extremely destructive tropical storms. The outpouring of support was incredible as we sorted donations, loaded a truck, and heard about many personal connections.

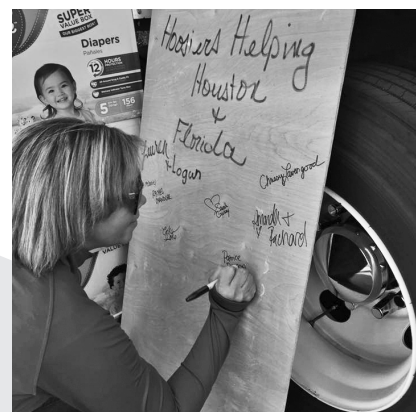

Thank you for going **All IN** as we made an impact in not only our community, but in someone else's! ■

Hello Members!

Your Management Council has been very busy and hard at work the past few months! To name just a few of our major projects:

- Resource Development is setting the stage for a phenomenal Holiday Mart, which is just around the corner!
- Community is reviewing Community Assistance Grants applications to award \$100,000 in grants funding.
- Finance is wrapping up with 2016-2017 audit.
- Membership is prepping for our second January-start class and rolling out new Training initiatives.
- Nominating is prepping for leadership applications for the 2018-2019 League Year already!
- Marketing orchestrated a successful Fall Merchandise sale.

In addition, we are focusing on the Year 1 Action Plan, which guides League operations so that they align with our Strategic Plan. This ensures that our day-to-day actions are furthering our goals and also challenges us to add in offerings – it reminds us that our goal as League leaders is not to maintain the status quo but to brainstorm and implement new initiatives that will track the League toward our long term strategic goals.

For example, the Training Committee, part of the Membership Council, released a survey to find out what types of training members are most interested in and launched the #trainingtuesday hashtag campaign. Both of these operational items support our strategic plan priority to “Increase opportunities for all Junior League members to receive quality leadership training, support, and connections to develop into effective community leaders.” Your support of the Junior League makes these efforts possible – thank you! ■

Spotlight: Saher Elsharty Matthews

What is your current role in JLI? Membership Outreach Committee (MOC) Co-Chair. I have also been on MOC as a member and Kids in the Kitchen.

What is your job? I am a Senior Commercial Underwriter for Chubb NA and have a small interior design business, @househaushome, on the side.

What is your family life like? I am a newlywed and live with my husband, four dogs, and a cat. We live in No-Bro....just north of Broad Ripple.

What are your hobbies? Interior Design, DIY, Arts/Crafts, Cooking, trying new restaurants, travel, puppies.

What is your favorite quote? "Be the person your dog thinks you are."
- J.W. Stephens

What hometown are you from? I was born in upstate New York (Buffalo) but have lived in Indiana since I was three so I consider it home. I grew up in A-town aka Anderson, Indiana. (Apparently we are the only ones who called it A-town.)

What is your favorite Indianapolis restaurant? This is pretty much impossible to answer! What meal? What season is it? Casual or fancy?! Some of my faves: Café Patachou, Brugge Brasserie, Yats, Northside Social, Biscuits (which is Mexican despite the name and has the best coffee ever!), Sakura, Union 50, Shalimar, most of the Pho restaurants... I should stop now, getting hungry just listing these.

What is your favorite placement? MOC, because I love being part of a group that helps form friendships/connections within such a large organization.

Where else have you lived? I have lived in Indiana almost my entire life (Anderson, Bloomington-Go Hoosiers!!!, Indianapolis). In addition to the three years I spent in Buffalo, I also lived in San Antonio, TX for three years.

What was your personal reason for joining JLI? I joined JLI to meet new people, to get outside of my comfort zone, and to become more involved in the city I lived in. It has forced me to take on new challenges and experiences and I am forever grateful for this organization as it is helping me grow as a person and leader.

Any pets? Currently we have four dogs and a cat. Chico and Joey are both chihuahuas and are senior dogs (15 yrs old). The "young" ones of my babies are a JRT named Andie and her bff, Dash, who is a min pin/Chihuahua mix. Both are 8-ish. Andie/Dash were both found when I lived in San Antonio almost one year to the day apart from each other. The cat, Rex, came with the husband. ■

Membership News

Congratulations to:

Linsey Bishop, who began her new role as an Outpatient Dietitian for Eskenazi Health on August 28th.

Erika Steuerwald, who married her husband Adam on August 19th.

Rachel White Conner, who began her new role as an Associate Attorney with the Law Office of Jason D. May on July 24.

Maddie Kellner, who married her husband Braedon on September 29th.

Madelaine Berry, who began graduate school at The Lilly Family School of Philanthropy on August 21.

Ashley Green, who joyously married her new husband on October 6th.

Elizabeth Polleys Burden and her husband Ivan Lanier Burden on the birth of their son, Richard Lanier Burden, born July 4, 2017.

Spotlight: Erin Lucas

What is your current role in JLI? Membership Outreach Committee (MOC) Co-Chair and I'm in the super fabulous JLI Leadership Academy.

What is your job? I work as Director of Special Events for U.S. Congressman Larry Bucshon (i.e. I coordinate job fairs, leadership summits, roundtables, and U.S. Service Academy nominations). I also serve as Finance Director on his campaign and coordinate fundraisers.

What is your family life like? My husband Tyler and I live with our two little pups in the Mass Ave area downtown.

What are your hobbies? Trying out new restaurants, traveling, hanging with my "little sister" from Big Brothers Big Sisters, triathlons (only because I love to eat), IU basketball, watching Jeopardy, and drinking all the pumpkin beer.

What is your favorite quote? "Be somebody who makes everybody feel like a somebody." :)

What hometown are you from? Terre Haute, Indiana aka birthplace of the Coke bottle, where Larry Bird played college basketball, and home to five colleges and universities!

What is your favorite Indianapolis restaurant? This is a tough one and the only logical way to answer is to break it up into categories. For brunch I love 3 Sisters Cafe, Garden Table, or Cafe Patachou. Ralston's or Wildwood Market get my vote for lunch. My go-to dinner spot is Rick's Boatyard Cafe unless it's a Sunday, in which case you'll find me at 45 Degrees for half price sushi. If a deep dish pizza is what I'm after, South of Chicago Pizza takes the prize and if I want delicious Mexican food from a semi-sketchy place La Parada is the answer. Great summer drinking spots include Rathskeller, Bakersfield, Rooftop Garden, and Flat12 Bierwerks. Honorable mentions go out to Salty Cowboy, BurgerFuel, and Thunderbird.

What is your favorite placement? So far I've loved being MOC Co-Chair, but as a provisional I was in Mistletoe Madness and really, really enjoyed that.

Where else have you lived? Just Terre Haute and Indy, with a four year stint in West Terre Haute during college at Saint Mary-of-the-Woods! Go Pomeroy!!

What was your personal reason for joining JLI? I moved to Indy knowing all of five people so I joined to meet some pals, but was drawn to the training aspect and deep connection and rich history to the community that the JLI has. I wanted to be a part of that and I've just really loved being a member of such a great group.

Any pets? Two pups: Roxy, an 11 year-old miniature dachshund and Baxter, a 4 year-old Yorkie - both rescued from the streets of Terre Haute. ■

The JLI Wine Club

The JLI Wine Club joined the other winos at the 2017 Indianapolis Wine Festival in September! This wasn't just a wine tasting event - there were also wine seminars and live cooking demos! All for a good cause too - it was the annual Sippin' for a Cure event in support of cancer research.

How to Lead with Influence

By: Traci Holt, Training Co-Chair

The training committee held its second training of the year on Saturday, September 23rd. Our speaker, Julie Kratz, CEO of Pivot Point, talked to thirty-five members about How to Lead with Influence. Julie's training taught us how to lead with influence instead of power, and explained exactly what influence looks like.

We learned what tools influencers use to lead and how we can incorporate them in our own experiences. Julie also touched on how to inspire through leadership. Attendees said it was an excellent training and many of them said that the knowledge they gained will help them in their professional and JLI lives.

We hope that you will be able to join us for future trainings this year. We have may exciting opportunities yet to come! ■

Indiana Leadership Forum

We had an outstanding group of women representing JLI at the Indiana Leadership Forum on August 29th, where House Speaker Brian Bosma gave an excellent keynote speech. Congratulations to our President, Stacy Payne Miller, who participated in the Class of 2017!

JLI Volunteers Work the “Crew for Kids” DIAD

By: Laura Haltom, Manager of Individual Giving & Events at BBBSCI

On Saturday, July 29, 2017, Crew Carwash donated 50% of all “The Works” (a \$16 value) and “Ultimate” (a \$20 value) washes purchased to participating Big Brothers Big Sisters agencies throughout Indiana for the 8th annual “Crew for Kids” fundraiser! Dozens of matches, local celebrities, media, mascots, and volunteers teamed up to support BBBSCI on this day! They held signs, sprayed cars, and encouraged customers to support BBBSCI. The event raised \$70,264 for BBBSCI, making it the agency’s second largest annual fundraiser. Thank you JLI for your support! ■

Community Partner Selection Update

By: Patrice Dawson, Board of Directors: Board at Large

As we sunset our partnership with Stephen Foster Elementary this year, we have already started the process of looking at Community Partners for the 2018-2019 Junior League Year. Earlier this year, we opened up the application process for new partners and narrowed the field to five finalists. The finalists are: Arts for Learning, AYS, Horizons, Fay Biccard Glick Neighborhood Center at Crooked Creek and the Patachou Foundation. We are currently in the process of conducting site visits in order to learn more about their programs and how they align with our strategic focus area, preparing students for academic success.

In addition, we want to hear from you. Over the next few months, we will be soliciting feedback from members on what’s important to you when it comes to picking a new partner. Be on the lookout for opportunities to provide your opinion.

Once we have completed feedback sessions, we will combine the information from the site visits with member feedback to determine which partner(s) would align best with our mission and meet our members needs. Our goal is to have an announcement in January. ■

Do In a Day Event Recap

By: Amanda Condra, Provisional

On July 29th, women from the League participated in a Do In A Day event at the 2017 Gus Macker River West Classic. The 3-on-3 tournament took place in the River West neighborhood on Michigan Street. During the late afternoons of the tournament, the games began to slow down but there were still plenty of spectators enjoying the remaining games. Women worked alongside other volunteers to monitor, collect, and dispose of trash in the area to help keep the neighborhood clean for all to enjoy. The goal was to leave behind no outward signs the

event had taken place there over the weekend. Profits from the tournament were to be distributed to institutions that help support the River West neighborhood (Christamore House, the Haughville Library, and Gleaner’s Food Bank) so all involved were doing their best to make the tournament a success. When asked about her experience at the event, Provisional member Amanda Condra said “I really enjoyed meeting other volunteers and local business owners and residents and seeing how involved they were with the community.” ■

Food Pantry Update

By: Elizabeth Kinder, PASS - Food Pantry Chair

One bag and smile at a time, the 15 members of the Food Pantry committee support Indianapolis children and families in need. Since it opened for the school year on July 29, the Stephen Foster Elementary “Bulldog” pantry has served around 80 families each month, many with six or more members, mostly children under the age of 18. Monthly, the League orders nearly one ton of food from Gleaner’s Food Bank, and most of it is given away by the time of the next order. Since the pantry opened three years ago, it has distributed over 24 tons of food to families in need.

“I really enjoy helping the families of Stephen Foster Elementary School. Being able to work in the food pantry is exactly why I joined Junior League—to make

a difference in our community,” said Allison Hoyt, a new Food Pantry committee member. Allison, like her fellow committee members, will work around 10 shifts throughout the 2017-2018 school year. The pantry is operated by at least 3 League committee members every Saturday that school is in session from 10 am to Noon.

While the family size determines the amount of items families can take from pantry shelves, most walk or drive home with at least 3 large shopping bags filled with staple items like rice, canned vegetables and peanut butter. The League has partnered with Gleaner’s Food Bank since 2014 to provide a monthly shipment of fresh and non-perishable items to the pantry. ■

TRAINING

Training Recap: How to Create Content for any Blog

By: Susan Brown, Training Co-Chair

At our first training opportunity of the year, held in August, we heard from one of our own members, Susan Baroncini-Moe, about how to create content for any blog (especially the JLI blog). The participants learned the first step to writing a blog is identifying your audience. The second step in the process is known as “The Terrible Struggle.” This is when the blogger deals with ‘Imposter Syndrome,’ the feeling that they do not have enough knowledge to write about the particular topic they’ve chosen. To get past Imposter Syndrome, the blogger must give themselves permission to write, which involves telling yourself that you knowledgeable enough to write this topic, and push yourself to start generating ideas.

So how do you generate ideas for a blog? You ask yourself:

- Who’s it for and what’s the goal?
- Am I trying to educate, persuade or convert my audience and what’s the best way to achieve my goal?

There are several styles of content including: how to guides; case studies; Q & A; interviews; inspirational messages; and there are many ways to present the content. Video, graphics and audio are just a few options. Video is the most popular.

Another area Susan covered in the training was using keywords in your writing. To do this, you must identify keyword opportunities, narrow your topic and write and optimize. Use the keyword in the title and throughout the article but don’t overdo it in the body of the blog.

Finally, we discussed creating a title for the blog. The goal of the title is connect to your reader. You also want to use your keyword and catchy words to grab their attention.

That left us with one to do: go create content! Susan left us with these words of wisdom as we set out to create our first blogs: outline, execute, edit and publish. And don’t be afraid to brainstorm and generate several ideas before narrowing it down to a specific keyword and topic.

If you’ve been thinking about creating a blog, keep in mind if you write one for the JLI you’ll receive one (1) flex credit for any blog that is accepted for publication on the JLI Facebook page. And we can’t think of a better way to get training in writing blogs than writing one for the JLI! For more information about the JLI blog guidelines, please contact Susan Baroncini-Moe, Susan Brown, or Traci Holt. ■
