## JLI Awards Trust Fund Grants

*By: Lucy Gilmore, Community Assistants Grants Chair*

**A**t the April General Membership Meeting, JLI announced \$29,650 in Trust Fund and Memorial Fund grants to support local non-profit organizations. Funded initiatives must serve mentally and/or physically disabled children in Marion County. We received an increased number of applications this year totaling 24 applications; six of which were from organizations applying for the first time. The JLI was pleased to note that one new application was the result of a JLI project partner being encouraged to apply after first encountering the League through this volunteer opportunity. The following Trust Fund and Memorial Fund grants were awarded by the JLI during our 2017-2018 cycle:

**\$5,000 – ArtMix;** to support Urban Artisans, a vocational internship program where participants make, market and sell their artwork.

**\$4,255 – Freewheelin’;** to support Earn-A-Bike where participants learn basic bicycle maintenance and riding safety and earn their own bike, lock and helmet upon completion of the program.

**\$5,000 – The Indianapolis Parks Foundation;** to support Camp Gather, a six-week camp at Indy Parks’ Rhodius Park that features an ADA accessible playground and sensory room.

**\$2,745 – Kids Dance Outreach;** to support their adaptive dance program, the KDO IMAGINE Project, for children with developmental disabilities.

**\$5,000 – Little Red Door Cancer Agency;** to support Camp Little Red Door, a week-long residential summer camp for children diagnosed with cancer and in active treatment or remission.

**\$5,000 – Servants At Work;** to support the building of ramps at the homes of five low-income, permanently disabled children.

The Anne Collett Hensley and Emily Kathryn Gilroy Memorial Funds provide financial assistance to children and families being treated at Riley Hospital for Children.

**\$2,350 – Anne Collett Hensley Memorial Fund**

## Dear Members

The inspiration for my message this time is a note from the son of Sustaining member Joan Dearmin Finney, who passed away on November 6, 2017.

Please keep up the good work. She was part of the JL project that got the Indiana State Museum moved from the basement of the old City Hall into the entire building, and was quietly proud to have had a positive impact on her hometown.

All the best,  
Mark

I was so touched by Mark's note as it's a wonderful mission moment and testament to the legacy of JLI! My hope is that each of you are proud to be a member of JLI and have a positive impact on our city.

As we look to another League year ending and a new one beginning, we continue to be focused on strategic improvements. Your Board of Directors is working to strengthen our community reach by researching and evaluating new community partners, looking at awareness and fundraising opportunities, deepening our diversity and inclusion work, and evaluation of our governance/management model in the coming months. Please join us as we ask for members to be part of each of these initiatives as your participation is vital to achieving success. ■

## Provisional Committee Reaches New Milestone

By: Ali Norman & Olivia Dole, Provisional Co-Chairs

**T**he Provisional Committee has been busy in 2018! The Summer 2017 Provisional Class continues to thrive in their Placements on the Kids In the Kitchen committee and the Around the Community-Around the Clock committee. The ladies served as shift captains and coordinated the logistics, planning and communication for these league-wide events. In June, we will celebrate their graduation to active membership! We look forward to their contributions to the league in the 2018-2019 year as first year actives.

After welcoming our inaugural class of Winter Provisionals to the League in December 2017, our second class of Winter Provisionals began their JLI experience in January. So far, this class of 30 women has learned JLI's history, completed numerous trainings, gone on a bus tour to visit JLI community partners and served in a special DIAD event at the Ronald McDonald House. Next, they begin their placements serving on the Holiday Mart or Do In A Day committee.

It's been our sincere pleasure to lead the Provisional committee this year. We welcomed the wonderful challenge of navigating the new multi-class system for the JLI and are

grateful for membership's support in the process. Thank you to our incredible group of provisional mentors who were critical in every step of the process and supported provisionals just as much as we did. We've enjoyed getting to know these three classes of league women and can't wait to see what they do for our community in the future! ■

Summer Provisional Mentor and Training committee member Erika Steuerwald gave two wonderful presentations on tips for successful networking to both provisional classes this year.

## COMMUNITY

### DIAD – Second Helpings

*By: Molly Lawless, Do In A Day Member*

We had a great group of volunteers spend time at Second Helpings on April 7th for Do In A Day! Second Helpings does an amazing job rescuing food that grocery stores and restaurants throw away. In February alone, they prepared and delivered 81,980 meals! ■

## Kids in the Kitchen

*By: Maddie Kellner, Community Vice President*

**J**LI Summer provisionals hosted a great Kids in the Kitchen event on April 7th at Stephen Foster Elementary School. Lots of kids and lots of educational information about hydration, portion sizes and healthy food choices! Great work ladies! ■

## DIAD – Sock Drive

*By: Sarah Holtrup, Do in a Day Chair*

**O**ur JLI members recently STEPPED up in a big way during the Do In a Day (DIAD) sock drive benefitting students at The Indiana School for the Blind and Visually Impaired (ISBVI)! More than 280 pairs of socks featuring a variety of sizes and festive colors and patterns were collected at the February 21st General Membership Meeting, benefitting the 140 students at ISBVI. The socks were gratefully received by Laura Alvarado, Executive Director of The Indiana Blind Children's Foundation. The ISBVI has been educating and empowering students ranging from three to 22 years old since its founding in 1847. Thank you to everyone who contributed in support of this effort! ■

# JLI Donates Socks to The Julian Center

*By: Karla Gosche-Williams and Catherine Seat, 2018 Holiday Mart Co-Chairs*

If you attended Holiday Mart last year, you were likely approached about buying a pair (or pairs) of socks! If not, you will have a chance this year!

Thank you to everyone who purchased a pair of socks at the 2017 Holiday Mart. We sold 508 packs of socks over the five days the mart was open - that is over 1,524 pairs! These socks were sold in partnership with We Help Two thanks to the relationship started by Karla Gosche-Williams. This organization partners with community groups to make twice the difference with the socks sold. For each pack of socks that was sold the JLI made \$9 and received a pair of socks to donate in the community. The Junior League of Indianapolis was able to raise over \$4,000 on the socks that were sold as well as able to donate 508 pairs of socks.

Karla Gosche-Williams, last year's Holiday Mart Merchant Chair, Catherine Seat, 2017 Holiday Mart Mistletoe Co-Chair and Marissa Frizzell, Resource Development VP, dropped off the pairs of socks to the Julian Center on April 19th. The Julian Center empowers survivors of domestic and sexual violence and creates a community where every individual is safe and respected. It was fitting for this donation, made on behalf of the entire League, to be provided during Sexual Assault Awareness Month.

Thank you to all of you who purchased socks. Because of you, we were able to further support an organization that the JLI has a long history of partnering with. Please look for the socks at the 2018 Holiday Mart. We hope to sell even more socks this year to not only benefit the league but also our community! ■

## JLI Diversity and Inclusion

*By: Stephanie Flittner, Board at Large*

The JLI Diversity and Inclusion (D&I) Task Force is hard at work analyzing the current D&I status of JLI. We have already started to recognize ways the JLI can improve. We also plan to look at the League's impact on the Indianapolis community and identify areas of need. The task force will deliver a report to the JLI Board with specific recommendations for both internal and external improvements during the 2018-2019 League year. If you are a Provisional, Active or Sustaining member with experiences involving D&I, we would love to hear from you. Please contact Board Member, Stephanie Flittner ([stephanie.flittner@gmail.com](mailto:stephanie.flittner@gmail.com)) or President, Stacy Payne Miller ([president@jliny.org](mailto:president@jliny.org)) with anything you would like to share on this important topic. The JLI is committed to fostering a diverse environment that is welcoming to all current and perspective members. The JLI believes that improving its D&I efforts is a key tactic in achieving the 2017-2022 strategic plan goals.

## Hotline Holiday Mart Update

Even though general member placement has not been finalized, Holiday Mart has already been meeting with new sub-committee chairs slated by Management Council and with the winter Provisionals, who will be helping this year. This is the second year to include half of the winter provisional class and we are so grateful for their willingness to jump right in!

Although we cannot announce yet all the wonderful changes coming to the mart this year, we wanted to give you a sneak peak of what to expect.

### 1. Hours:

Wed: 6:00 pm – 10:00 pm

Thurs: 10:00 am – 8:00 pm

Fri: 10:00 am – 8:00 pm

Sat: 10:00 am – 6:00 pm

Sun: 12:00 pm – 4:00 pm

**2. Mistletoe Madness:** Mistletoe Madness has been a long-standing tradition in the Junior League of Indianapolis and it has served us well for many years. Historically, Mistletoe Madness has been a separate area with Holiday Mart staffed entirely by Junior League volunteers. Mistletoe Madness was a consignment-style shopping area where Merchants provided items for sale to the League and we made a commission. It took a small village to run Mistletoe Madness and in recent years the League struggled to staff enough volunteers and with inventory management. For those reasons, we have decided to re-imagine Mistletoe Madness in 2018! Rather than JLI members selling Mistletoe Madness merchandise, the Merchants will be selling their own items in small booths modeled after the larger, standard Merchant booths. The smaller, Mistletoe Madness booths will be limited to small, local businesses. We hope that this will increase attendee, volunteer and Mistletoe Merchant experience! Not only will this free up more JLI volunteers to other tasks in the Mart, but will increase our revenue from the Mistletoe Madness section of Holiday Mart.

**3. Season Tickets:** New this year we will be offering a single ticket option for Thursday through Sunday admission. This ticket will cost \$30 and be available to purchase ahead of time online or at the door. The season ticket will allow attendees to come and go at the mart over several days. Even if you only come back once, it is a savings!

**4. Special Events:** While we cannot tell you much yet, let's just say that there will be even more ways to enjoy Holiday Mart this year! Keep an eye out for special announcements regarding events during Holiday Mart. They include a featured speaker, a breakfast event, and workshops

We have already been recruiting and approving awesome Merchants for Holiday Mart. The application for 2018 was active right as the 2017 Holiday Mart was wrapping up. If you have any suggestions for merchants, please email the committee at [HMvendor@jlindy.org](mailto:HMvendor@jlindy.org).

As always, we could not pull off such a great event without all of you! Thank you for your continued support as we look forward to making the 48th Annual JLI Holiday Mart a success!
